RE: Conway v. Healthfirst, Inc., 21-cv-6512 (RA)

Dear Judge Abrams,

In this case, the defense moved to dismiss the complaint, the motion returnable on or about Friday. As I explained to my adversary Mr. Marks, I have a seven-plaintiff mediation on March 10, with memos due on March 3. The case in mediation is almost two years old, so there is a lot of information for me to review and know if the matter is to settle.

Mr. Marks has consented to a two-week extension. My opposition to the motion, in this case, is due this week – without looking, I believe Thursday. However, I would ask for an additional two weeks to focus on the mediation. Under FRCP 6, the plaintiff's opposition is due this week, so I would ask for March 17 as a deadline (a week after the mediation is complete). It could be that I can get the opposition in sooner.

Thank you for your consideration.

Application granted.

Sincerely,

Gregory Antollino

SO ORDERED.

Hon. Ronnie Abrams
